Spokane's

Please partner with us for Spokane's 2<sup>nd</sup> annual Youth Day! on Friday, August 26<sup>th</sup> from noon-5p.m. in Riverfront Park. Youth Day targets youth ages 14-24 and their families and strives to showcase the great resources, activities, and programs available to promote healthy living to Spokane area youth. This is an event led by youth for youth. We're hoping to attract approximately 3,000 youth to this free community event. This year we'll also have additional live music. Please consider providing a booth to showcase your great organization as well as a youth friendly activity. If you're unsure of what activity you could provide we have a team of youth standing by to offer suggestions. Contact us for help or questions- (509)954-7373. Booths are free for non-profits (FREE, so we're hoping you'll provide an activity!) and \$40 for businesses with all proceeds helping to cover the costs of the event. Youth Day is being sponsored by Youth 'N Action and Passages Family Support with funding from the Washington Division of Behavioral Health and Recovery Services. **All participating organizations must promote health and wellness, and this is a drug, alcohol, and tobacco free event.**

**Checks can be made payable to Passages Family Support with the phrase "Youth Day" in the notation. We greatly appreciate your support!**

**Youth Day Booth Rental (12' x 12')** FREE for Non Profits, \$40 Business (Suggested Donation)
